

# Why Read *Military Review*?

Because *Military Review* delivers relevant and contemporary thinking about tactical and operational warfighting, training, and readiness issues that military professionals face every day.

## Recent authors include:

**Lieutenant General Mike Steele**, study director for the Army Training and Leader Development Panel and former commanding general, U.S. Army Combined Arms Center, "Training and Developing Leaders in a Transforming Army," September-October 2001.

**The Honorable Ike Skelton**, U.S. House of Representatives, Democrat, Missouri, "America's Frontier Wars: Lessons for Asymmetric Conflicts," September-October 2001.

**Brigadier General David Grange**, former commanding general, 1st Infantry Division, "Airmechanization," July-August 2001.

**Dr. Graham Turbiville**, director, Foreign Military Studies Office, "Prototypes for Targeting America: A Soviet Assessment," January-February 2002.

## Upcoming Themes for 2002

May-June	Transformation
July-August	Leadership
September-October	War in Afghanistan
November-December	Training and Simulations
